## Treasures of Morocco: A Sensuous Feast of Color

TWO PHOTOGRAPHERS | ONE VISION

November 9-20, 2012

Join us for a uniquely exotic evening that will tantalize your senses! A "taste of Morocco".  
**Opening night Friday, November 9th 5:30-9:00 at Ysla Gallery in Wilmette.**

The evening will present the lush photographs created by Jill Buckner and Richard Mack who are the catalyst for an exotic evening; along with Sharon Meyers, an inspirational partner in developing a potential book project on the concept of culture, color and foods of Morocco. The night will tantalize your senses with a sampling of dishes, created by chef/owner Marsha Pasevento, **Artisinal**, Wilmette and recipes from chef/owner Joel Kazouini, **Chez Joel** in Chicago. We are thrilled to have the **Spice House** of Evanston join us with luscious spices of Morocco. We will also serve a signature Moroccan cocktail delight, along with your chance to vote on your favorite book cover from a selection of alluring photographs.
